Sixth Form Admission Policy

Admission to the Sixth Form 2018

St Wilfrid's has a popular and vibrant Sixth Form. Students make good progress and are extremely well supported in a caring, Christian environment. We welcome applications from young people of all faiths who wish to benefit from, and are able to support, our Catholic ethos.

Students consistently achieve excellent examination outcomes and the college provides a varied curriculum. Through careful guidance and support by a dedicated team, students can choose from a wide range of subjects including level 3 qualifications at Advanced Level and Technical Level. We also offer a range of level 2 programme of qualifications. The Sixth Form is available to all existing pupils of St Wilfrid's who meet the eligibility criteria. Applications from external students are growing and are limited to 80 places, as stated in the Sixth Form Student Admission Policy:

- Admission to the college will be made by the Governing Body.
- St Wilfrid's Sixth Form is available to all existing Year 11 students who wish to enrol, providing that an appropriate course is available and the student meets the entry requirements for study on courses.
- Some subjects have a minimum GCSE entry requirement (these are available from the Sixth Form).
- A limit of 80 places is set for admission of external candidates. Places will be offered subject to appropriate, viable courses being available and the student meeting the entry requirements to take courses:
 - i) 5 good grades in 5 separate subjects to follow Level 3 courses. Each technical Level 2 qualification is counted as one subject. Some subjects have a minimum entry requirement and these are available from the Sixth Form.
 - ii) Any student embarking on Level 3 courses, who has not obtained a Level 2 (GCSE or equivalent) in Maths and English, will be required to continue to study for a Level 2 qualification in these subjects.
 - iii) Entry to Year 13 is dependent upon good attendance and commitment to the programme of study in Year 12
- Subject to the above over-riding consideration, in the event that the Sixth Form is over-subscribed, places will be allocated according to the over-subscription criteria for entry to Year 7.
